children from Nundle and surrounds

## KINDERGARTEN

Dear Kinder Parents,

Great to be back on class with this wonderful group of Kindergarten students.

For the remainder of this term and next, the Kinder students will be working on the unit "My Place" which will link across all of the curriculum areas.

This unit will include many trips to the local community and some home based activities. The activities worked on at home will be used as discussion starters during our in class "Talking Time" sessions on Tuesday, Wednesday and Thursdays.

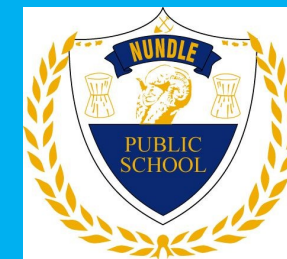

For this reason children's news days will be restricted to **Mondays and Fridays**. For organisational purposes, girls' news day will be on Monday and the boys on Friday.

Please Note: students will need to complete **daily home reading** to enjoy the privilege of sharing news.

KAYLEEN DEAVES  
Classroom Teacher.

## NUNDLE PUBLIC SCHOOL HONOUR, INDUSTRY, TRUTH

NEWSLETTER

No. 13/2012 Term 3 Week 8 6th September, 2012

### PRINCIPAL'S MESSAGE

Parents and Carers

THE END IS NIGH! Believe it or not we are only 2 weeks away from the end of another busy term. Students have been working hard on their play but some have a little way to go to make sure they have their lines learnt. We are looking forward to a great performance on the last Wednesday of term.

As some of you will have noticed, the office has undergone a few changes and hopefully we all be operational again in term 4. Local trades people are working on the new design for the office, which will look fantastic.

Year 6 students have been particularly lucky today as they have been able to attend a writers' workshop in at the TREC with about 400 other students. This is a great opportunity for them to learn about writing from well known authors. Thank you very much to the parents who were able to take students in to the event.

### WHAT'S ON !

- Thursday, 13th September  
Spelling Bee Region Finals
- Wednesday, 19th September  
Play Night

Nundle Public School—individual opportunities in a caring rural community

Principal's Message continued:

During the last week of term we have the Royal Far West mobile clinic visiting the school. This is a great opportunity for specialists to work with children. I have sent a number of notes home in relation to this. If these forms could be filled in and returned asap that would be great.

I have sent home a number of attendance letters this week. We are required by law to monitor the attendance of children at school. It is a legal requirement that students attend school and we are bound by legislation to follow up on attendance. To get the most from school, students should be in attendance at least 95-100% of the time. It is required by law, that students do not attend school less than 85% of the time. Students who do fall below this rate are required to produce official evidence as to their absence.

Thank you to Mrs Warden for her work organising the raffle for the year 6 farewell. I know a number of students have already sold their tickets and returned them to Mrs Warden. Mrs Warden will be on leave over the last week of term and Mrs Carol Swain will be relieving as SAM during this period of time.

Ian Worley  
Principal

The Students of  
**NUNDE PUBLIC SCHOOL**

extend an invitation to parents, relatives  
and friends

to their 2012
