NEWSLETTER

No. 15 Term 4 Week 1 10th October, 2013

PRINCIPAL'S MESSAGE

Dear Parents and Carers

Welcome back to the term. It's going to be another busy term with plenty happening. One of our first major events is the Great Aussie Bush Camp for years 4/5/6 in week 3 of this term. I will send a reminder note out to students. We do need to have all money paid and information into the school for this by tomorrow.

Music lessons start again tomorrow. If there are any changes to what you wish your child to do, please contact me asap at the school. If you are wishing for your child to take up an instrument, please contact me and we'll see what we can work out.

I would like to welcome two new students to the school -Sam and Will. They are going into our year 1 class.

This term we will be running our school tennis competition. There are great courts for use here in Nundle and I would encourage you to make use of them in the lead up to our competition. The competition will involve junior and senior students.

Page 2—Principal's Message continued

Thank you to all of those people who turned out to support the school performance at the end of last term. Students had a great time putting this together and the experience and confidence it gives them is invaluable. Thank you also to all the staff and parents who were around assisting with costumes and makeup. Well done Ms. Weis and students.

I would like to remind everyone that the Out of School Hours Care is available. Please contact Maria on 67693485. This will divert to her mobile and you can leave a message if she is unable to take the call. This is a very valuable service available to parents and I would encourage you to use it so that the service can be maintained. Opening hours are 7.30-8.30am and 3.00 -6.30pm school days. Vacation care will be available throughout the holidays. Prior bookings for this will need to be made.

Charlie Chapman heads off to State next week for her 100m sprint. We wish her all the best of luck. Talking sport, in this newsletter is a note relating to swimming for sport and active after school. So students can participate in swimming for sport, I would encourage you to get this in as soon as possible. We will also be starting the active after school program soon. Students will take part in a variety of activities which are in the process of being organised. It is likely to start in week 3 of this term. Swimming will be one of these activities. If you would like your child to take part in this, please be sure to get this note in. The swimming group will need to be capped at 15 students.

Finally, well done to the debating team who took on Tamworth Public in the zone final and were very narrowly beaten. It was a great debate with some excellent rebuttals. Thank you Teresa Eather for all the work put into the debating team.

Once Upon a Time

(A rock fable by Lynne Bartlett, Mark Leehy and Kevin O'Mara © 1991, Bushfire Press)

Congratulations boys and girls, on another splendid production in 2013. Your performance at the end of last term, clearly demonstrated your commitment and effort in memorising lines, learning songs and gaining experience in stage craft. This musical is a huge team effort on behalf of students and staff with Mr Worley arranging sets and props; Ms Eisenhauer looking after music and singing practice; Miss Boland prompting from the wings; Mrs. N. Worley in the wings; Ms Deaves and Mrs Fisher supervising in the wings and applying makeup and Mrs Warden in charge of publicity and ticket sales.

Thank you to everyone who attended to support our performance. It is a joy to see the students' work rewarded by your applause. Thank you to all parents who helped out by sending in costume items. The costume making by Mrs Eather, Mr & Mrs Meredith, Mrs Schofield, Mrs Blackwell and Mrs Burnes is also much appreciated. Thank you.

Student actors also love to wear stage makeup, so thank you to Mrs K. Worley, Ms Bridge, Mrs Jones and Ms Vesper, who surpassed previous performances with the fabulous faces.

I hope you enjoy this little reminder of our production.
