No. 14 Term 3 Week 9 12th September, 2013

### PRINCIPAL'S MESSAGE

Dear Parents and Carers

We officially opened our Out Of School Care and Vacation Care facility on Friday. Thank you very much to Geoff Cummins for his speech and cutting the ribbon. The facility has had a number of children use it already. If you wish to make a holiday booking, please do so now so Maria can get her program organised. We do need to have holiday bookings sorted soon.

Today the K/1/2 classes have headed off to the sports day in Woolomin. It is great to see so many interested parents supporting their child by taking the time out of their day to be a part of this fun day. Children grow up so quickly and being able to be involved in such events is important. Children certainly appreciate their parents and relatives being there to support them. I did have a couple of parents contact the school today to ask about buses etc. for transport. All of this had been explained in the notes sent home and in the newsletters. Please take the time to read these and go through them to make sure you are up to date with happenings at the school. It was disappointing that a few students were unable to attend the day and missed the fun with their friends.

Nundle Public School—individual opportunities in a caring rural community

Principal's Message continued:

On Sunday, the Gold Star singing group will be performing in Tamworth as part of the "Sing It" program run by the Conservatorium of Music in Tamworth. Students will need to be at the Tamworth Town Hall by 5pm for rehearsals and be ready to perform at 6pm. The performance is open to all spectators. There is an entry cost but performers get in free

Next Thursday we will be performing our whole school musical-Once Upon a Time. Students will need to be at the school by 6.00pm to get in costume and make up. The performance will start at 7.00pm in the Nundle Town Hall. It will run for about 75 minutes. Students and staff have been working hard at getting this performance together and it will be a good show.

As we are drawing to the close of the term, parental/carer surveys will be sent out. I would ask you all to respond to the surveys as it is this feedback that helps us develop the programs you want for the school.
