PRINCIPAL'S MESSAGE

Dear Parents and Carers

We have had our first transition day today and what a great day it was. Students have slotted into their new classes well. Our new kindergarten group have had a fantastic time and are looking forward to their next turn at big school. If you know of any students who will be coming to school in 2015 but have not yet made contact with the school, it would be appreciated if you could let the school know.

The students from the kitchen to garden elective have been doing a great job with their cooking and made some fantastic food. They have been sitting down to sample their fresh foods and learning how to set the table, hold knives and forks and carry on a pleasant conversation while enjoying a meal. My class will be participating in this elective from week 5.

Well done to our debating team who took part in the regional finals in Armidale on Tuesday. The team were debating for a place at the state finals.

WHAT'S ON !

Transition 2015 Kindergarten
Friday, 31st October

Friday, 31st October
Dental Health visit—K//1//2

Presentation Night
10th December 7pm

Year 6 Farewell
16th December, 2014

Intensive Swimming
1st to 12th December

Nundle Public School—individual opportunities in a caring rural community

Principal's Message continued

They debated The Sir Henry Parkes Public School team from Tenterfield. To get to this stage, the Nundle team had to defeat all of the Tamworth teams. Unfortunately, they did narrowly lose this round. A very big thank you goes to Mrs Teresa Eather for all of the work she has put into the debating team. She has given up a great deal of time to come into the school and volunteer on a weekly basis then drive to debating events around the area. Without her volunteer hours, we would not have a debating team. Thank you Mrs Eather.

Another congratulations goes to Ryan and Saskia Fitzgerald. They competed in the Inter Schools Horse Extravaganza over the weekend and on Monday. Both students rode extremely well and pick up ribbons for their efforts. Saskia did particularly well on Summer Breeze. She took the following on Saturday;

2nd in bending, scudaho and barrel race
4th in flag race and pony twist

Junior reserve champion on Saturday

Ryan also had a great time riding Masquerade coming 4th in the barrel race.

On Monday Saskia rode Masquerade and Summer Breeze gaining the following;

Saskia and Masquerade
2nd in 45cm show jumping
1st in Prep A dressage

Saskia and Summer Breeze
1st in prelim 1.1 dressage

Well done to both Ryan and Saskia

Principal's Message continued

On Friday of last week, the long anticipated robots arrived. Students had a fabulous time working with Mr Andrew Lyell from the University of Newcastle. They worked with a variety of robotics and gained some excellent skills from the day. Hopefully we can make this an annual event and might be able to look at entering a number of robotics competitions in the future. A number of students believe they may have found a future career path in robotics.

Ian Worley

Principal

NUNDLE SWIMMING CLUB

Swimming Coach, Ellie Camilleri, will be working with the Nundle Swimming Club on Thursday from 4 to 5.30pm.

Non-Club members are invited to attend at a cost of \$10 per student per session.

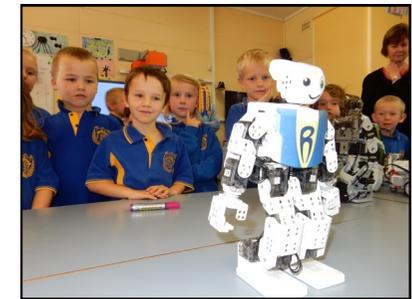

Nicola Worley

YEARS 3/4

On Wednesday the children from yrs 3/4 participated in water week activities. LorRaine from Bunnings came in and showed the kids how to use water saver crystals (the same stuff you find in nappies!) they each planted a flower in a degradable pot to take home as well. Big thanks to Bunnings for all their support. The kids also headed down to the creek to test the quality of the water with Ms Deaves. They had great hands in experience and learnt a lot about keeping our environment healthy.

Saskia and Ryan Fitzgerald

AWARDS—15th October, 2014
