NEWSLETTER

No. 18 Term 4 Week 8 20th November, 2014

PRINCIPAL'S MESSAGE

Dear Parents and Carers

Believe it or not the term is past the half way mark and we're on the down hill part. There's still a great deal to do and a number of special events to take place. Thank you to all of those grandparents who attended our grandparents' day, it was a fantastic event and gave people the chance to have a good look through the school and experience a 21st century classroom.

Next week our year 5 students will be presenting their leadership speeches. This will be on Friday at 12.30pm. Students will then cast their vote for our school leaders for 2015.

Staff have been busy working on reports. Students have been completing a number of assessment tasks to help teachers with this task. Reports will be available for parents in the last week of term.

WHAT'S ON !

Monday, 1st December

P. & C. Meeting 7.30pm,

1st to 12th December

Intensive Swimming

Wednesday, 10th Dec.

PRESENTATION
NIGHT

Tuesday 16th December

Nundle Public School—individual opportunities in a caring rural community

Principal's message continued

Mrs Eather has been continuing to update our school website. Please jump onto the internet and have a look. The school calendar is there and will be kept up to date with events. If you're unsure of when something is happening, have a look at the website.

If you have a student interested in learning a musical instrument in 2015, please contact the school and let us know as we are starting to plan for next year. Speaking of planning, the panel who will be interviewing for our new teacher have started the processes and will hopefully be conducting the interviews in the near future.

We have had a student teacher completing her practicum with us over the past 2 weeks. Ms Harrison will be with us for the next 2 weeks as she work with the 4/5/6 class.

Students have a special song to learn for presentation night. You may hear them singing it around the house. If not, ask them for a rendition. If any students are interested in performing a high quality item at the presentation evening, please have them come and see me.

This is our last transition day. Students have had a wonderful time and we look forward to seeing our new kindergarten in 2015.

7.30pm

We extend an invitation to all
parents, grandparents, relations and
friends from the community to attend this
very special night

It would be appreciated if
parents could supply a
plate of food for supper

GUINEA PIGS

We have our guinea pigs back in our school again! We ran a competition to name our little friends. The larger one is called Snowy (named by Kandy) and the smaller one is Giggles (named by Erica). The children have been enjoying holding them during lunch time.

NIGHT WALK—Years 3/4

On Friday, 24th October students and families attended a special Night Walk and talk from the Local Lands Services supported by our Landcare group and catered for by the P. & C. We saw a lot of wildlife including the ‘mythical’ Booroolong frog x 3!!! This was followed by a years 3/4 class sleep over at the school.

Here is a recount by Jessy-Lee Deaves of the event.

On Friday our class, family and friends went on a nature walk. The first thing we did was to go up to the school and put our supplies away for our sleepover and go down to the BBQ area at the caravan park. Once everyone was there the specialist Mr. Phil Sparks came to show us some animals.

The animals that he showed were terrific such as the Green Tree Frog.

Also he showed dwarf Tree Frog, legless lizards and so many others and in the middle Miss. Watts made us run up the hill and back down because we were getting too chatty. He brought a python and the adults had a laugh when Mr. Sparks said “its funny how the girls are up the front and boys are way up the back”. It was true! Some other girls touched its tail while others held it such as me and Wunda. Then we had sausages, steak and drinks. Now the walk....

After we ate we went for the nature walk and once we got to the start we could hear the frogs and I fell in the water .

Then we had the sleep over. We watched a movie and me, Campbell and some other people up the back well asleep first and we all heard the boys snoring.

In the morning our parents came to pick us up at 8am after breakfast.

We had a great time.

PHOTOS FROM THE
NIGHT WALK

OUR EXCURSION TO
PETE THE SHEEP AND THE AIRPORT

We went to the airport in a big coach and saw the Westpac Rescue Helicopters.

Next we drove over the railway crossing on the way to the station. After that we had lunch at Bicentennial Park and looked at the ducks and the fountain.

Last we went to a play called Pete the Sheep. An awesome day! (story by Kindergarten/Year 1)

PHOTOS FROM THE EXCUSION Years 1/2

These are some photos of our time with the Westpac Rescue Helicopter in Tamworth on Tuesday as an extension to our Transport Unit infants are studying. This also follows up with their visit to our school here a few months back
