No. 19 Term 4 Week 9 4th December, 2014

### PRINCIPAL'S MESSAGE

Dear Parents and Carers

We are very close now. Next Wednesday we will have our presentation night at 7.30pm in the Nundle Town Hall. We are looking forward to seeing everyone there. The evening will run for about 1hr 20minutes. We will be starting proceedings promptly at 7.30pm.

Students have started their intensive swimming program this week. As is standard, it has started to rain and will now probably turn cold. Luckily we have a tough bunch of kids here who can push on through. This is a very valuable program for students to take part in. Water is a very big part of Australian culture and it is vitally important that our children know how to swim.

Next year, all students will be starting a language. We will be introducing Chinese (Mandarin) as a regular weekly lesson for all students. We are looking to the future for our students. With the trade agreements Australia has with China and our reliance on China as a trading partner, our children will certainly have more opportunities open to them in later life if they have an understanding of the language. Students from Kindergarten through to year 6 will be undertaking language studies.

Nundle Public School—individual opportunities in a caring rural community

Principal's Message ctd.

If you know of any changes for next year, it would be appreciated if you could let the school know as we working on our planning now. If you are leaving the town or know of people coming into the area, it would be appreciated if you could let us know. If you require any information throughout the holiday period, please just call the school number as it will divert to my mobile phone.

Students have been given a number of notes in relation to excursions. The note for the movies must be returned tomorrow. Students who have not returned this note by tomorrow will not be able to attend this excursion, as I need to put in all numbers for the tickets and bus.

Next year, Miss Watts will be leaving us to move to Gloucester. I would like to take this opportunity to thank Miss Watts for all of her work in the school. She has been a real asset to the school and students have very much enjoyed having her as a teacher. Miss Watts has made a real contribution to the school and will be missed by both students and staff. We do wish her the best of luck for life in Gloucester.

In 2015, Ms Amanda Price will be joining our staff. Ms Price will be taking the 3/4 class and delivering language lessons across the school. There will be an opportunity for parents to meet with teachers early in 2015.

Ian Worley  
Principal

## **AFTER SCHOOL ACTIVITIES**

### **BOWLS**

Active After School activities has finished up for this term with students participating in lawn bowls. We have had a fabulous time with locals Don, Gloria, Kevin and Gail who have commented on the improvements made by the children over the term.,

We would like to say a huge thank you to these people for their help.

The lawn bowls grounds are available to hire for a game at any time and the kids bowls set will be kept here at school permanently.

It would be a great school holiday activity.

Hayley Watts
