Dear Parents and Carers

Well done to our debating team who debated in Gunnedah today. They spoke very well and did an excellent job winning their debate. Congratulations, Meg, Pippa, Charlie Chapman and Joe Worley. Thank you again to Mrs Eather for her coaching.

Students are all getting ready for the individual items at the eisteddfod on Tuesday. All students involved have brought home information in relation to this. We will all be performing our class items on Wednesday 25.6.14 at 10.30am in the Westdale school hall. Parents and friends are welcome to attend.

**Remember that if you are unable to make this performance, students will be performing their poems in the Nundle Memorial Hall tomorrow at 12.30pm.**

Nundle Public School—individual opportunities in a caring rural community

## Principal's Report Continued:

It is most important that students are at the bus pick up point by the appointed time otherwise it is likely they will miss the bus. Students are very excited about the excursion. We have been discussing it. I would encourage students to research the places they are going so they have a good understanding before leaving.

Thank you to Mr Huw Evans who assisted in the 4/5/6w science experiment this week. Students have been studying the changing state of matter and Mr Evans was able to provide them with a great opportunity to see what happens to organic matter when it is snap frozen.

Reports will be available to parents on Tuesday 24.6.14 with parent/teacher interviews available during the afternoon/evening of Wednesday 25.6.14 from 4.00pm until 6.00pm. Please call the office on 67693253 to book your appointment.

## CANBERRA EXCURSION

**16th to 20th June, 2014**

Year 5 and Year 6 students from this school, along with students from other small schools will be undertaking an education tour of the national capital (Canberra). They will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the nation capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$30.00 per student under the Parliament and Civics Education Rebate program. towards those costs. The rebate is paid directly to the school upon completion of the excursion.

Parents and Carers are advised that Nundle Public School has taken this rebate into account when setting the cost of this excursion.

## CANBERRA EXCURSION

Could parents and carers ensure that all Canberra Excursion money is paid to the school office by 10th June, 2014.

## POEMS FROM YEARS 3/4

### Written about Sorry Day

Imagine the knock, click knock, of the men  
Imagine saying goodbye to your family and friends  
Imagine getting pulled and shoved into that car  
Imagine trying to forget your real family  
Imagine trying to learn another language  
Imagine trying not to cry in the car  
Imagine trying to get along with your new family  
Imagine not getting along at your new school  
Imagine never seeing your family again  
Imagine trying to escape but getting in trouble  
Imagine not getting to watch your family  
Imagine .....

By Kandeita Self

Sad Children are crying for their family  
Other children have to speak a different language they don't know  
Remembering their families and relatives  
Remembering the last day you had with your parents  
You as a baby won't remember your old family  
Demolishing and breaking your heart  
Another family is on their way to get you  
You and your new family are having fun.

By Emily O'Connor

Sometimes people don't understand  
Other people do  
Remember those who went  
Remember your family  
You need to remember  
Days of sadness  
As your heart bleeds with blood  
You need to do it to save yourself
