Thursday 17 th	Parent/teacher interviews

'Twas the night before Christmas-well nearly

This will be the last newsletter for 2015. We have had a fantastic year with students making some outstanding achievements. Many of these students were recognised at presentation evening last night. Thank you to all who attended and made this a special occasion for the students. It is always great to see the hall packed to capacity for this type of celebration. As I mentioned last night, whilst not every student will get a ribbon, every student has made achievements throughout the year. The use of personal learning plans has helped students to recognise the fact that they are achieving and that they can take pride in their own achievements.

Congratulations to our 2 new school leaders for 2016, Erica Eather and Kandeita Self. Their first official function will be at the Australia Day Ceremony here in the school grounds on 26th January 2016.

Thank you to Ms Weis who has put in a huge amount of effort in organising the Intensive Swimming for the 3 Peel Valley schools. This is an incredibly worthwhile activity, especially as we come toward the holidays and lots of time in or around the water.

There will be some changes to the school in 2016. The 1/2 class will be taught by Ms Hannah Warden. Hannah completed her teacher training at the University of New

England where she received the Golden Key Award for her academic achievement. Ms Warden trained as a primary teacher. She has been working in the special education area at Tamworth High School.

Reports will go out on Monday. If you would like to speak to your child's class teacher, please call into the school on Thursday between 9am to 3.00pm.

Next year, along with continuing our Mandarin language lessons, Music, Debating, Public Speaking, Eisteddfod, Term 3 performance, excursions (Canberra and a possible Dubbo Zoo), Kitchen to Garden Program, school and interschool sporting competitions we will be introducing computer coding as a part of our curriculum. Students in years 3/4/5/6 have really enjoyed being involved in the

coding classes throughout this term. This is an excellent introduction into the world of computer programming.

At the end of the year we say farewell to the Potts family. It has been great to have the students at the school and see them achieve so much over the years. We wish the family all the best of luck in their new location.

Once again, I would like to thank the staff, community, parents and students for contributing toward what has been another wonderful year at Nundle Public School. I wish all of you a very happy and safe holiday season and look forward to a fantastic 2016.

Ian Worley

Principal

Nundle Pony Club

Is looking for new members!

Nundle pony club is looking for new members!

We are a fun club spanning over 50 years of history in zone 5 and the Nundle district.

Nundle Pony Club has a fantastic Cross Country course out on the common and we run our One Day Event and Blanch Trophy Day annually.

We have a great relationship with the Nundle Campdraft committee and we help run a Campdraft each year.

Nundle Pony Club aims to hold a rally day on the first Sunday of every month and our annual camp is in September.

If you would like any information about Nundle Pony Club and what we do, please call Marjolijn Fitzgerald on 0267693359 or Leah Maynes on 0418620795

What: New Member come and try Rally day

When: Sunday February 7th 2016 at 9.30am

Where: Nundle Pony Club grounds, 44 Taylors Nundle NSW 2340

Kindergarten/1/2 Report

We have been writing letters to Santa, typing on the computers and reading lots of Christmas stories, even letters from Father Christmas.

Some children helped Mrs Warden decorate the Christmas Tree for Carols by Candlelight on Friday night.

In class, we have been dancing and singing. Kindergarten can play Jingle Bells on the recorder and are learning to sing 'Feliz Navidad'(a Christmas Carol with Spanish and English).

Our swimming is improving every day and by the end of the week it will awesome. It would be fantastic if parents

could take us to the pool regularly in the holidays to keep up the good work.

On Monday, we went to church to learn about the Christmas story. We prayed, sang and dressed up for the Nativity play.

Yesterday, we built rockets, towers, people, hedgehogs, houses and different shapes.

Ms Weis Completes L3

Mrs Weis has been studying L3(Language Learning and Literacy) over the last two years, as part of ongoing professional learning. She received her certificate from Ms Dufty(School Education Director, New England) at a presentation on Tuesday.

By Jesse, Kyron, Riley, Tommy, Zachary, Alex, Max, Jamie, Bailey, Destiny, Glen and Digby.
