NEWSLETTER

No. 3 Term 1 Week 7 12th March, 2015

PRINCIPAL'S MESSAGE

Dear Parents and Carers

Here we are at the end of week 7. Believe it or not there are only 3 weeks left in this term, what a busy 3 weeks they are going to be!

As many of you are aware, this weekend will be a very busy one in Nundle. We have the gourmet picnic on Sunday and a hot rod car rally on Saturday. We have been talking with children about road safety and stranger danger. Please continue to speak with your child at home in relation to these topics.

On Monday we will be hosting a seniors morning tea. Members of the SRC will be preparing for this under the supervision of Ms Weis. A number of students have been asked to perform items on their musical instruments to entertain the seniors. The morning tea will be held at 10.30am under the school COLA.

Nundle Public School—individual opportunities in a caring rural community

Principal's Message continued

Ms Weis has been in Maitland today and will be there tomorrow. She is completing training in the TEN course. This course is aimed at helping teachers develop strategies to assist students with numeracy. Ms Weis is being trained as a trainer in this area.

We are holding a special retirement function in the school grounds for Ms Deaves. This function will be held on Thursday 26.3.15 at 12.00pm. Students will be preparing a variety of finger foods using produce from the school garden. We are opening this function to members of the public who would like to come and wish Ms Deaves the best of luck in retirement and thank her for her work at the school over many years.

We are asking for a \$4 donation from anyone attending. Funds raised will all be put toward supporting the continuation of the Kitchen to Garden To Kitchen Again program. If you do intend to come along, please R.S.V.P. to the school office on 67693253 by Monday 23.3.15. We want to make sure we have enough food for everyone!

Well done to the Horse Sports team who competed at the Moonbi Horse Sports Day. It was great to have a team from Nundle there and doing so well. Congratulations Saskia and Ryan Fitzgerald, Matilda Eisenhauer, Will and Sam Archer and Riley Emerton. Thank you also to the parents for taking children to the day and volunteering their time at the event.

Principal's Message continued:

As part of our legal requirements, we do need all people volunteering at the school to have completed a Prohibited Employment Declaration. Mrs Warden has these in the office. If you have not completed one and you volunteer in the school, including the canteen, it is essential that this be done. As this is a new year and we have new volunteers, we will be completing an audit to check that all the documentation is present at school. We are required to keep this by law.

Arrangements for the Dog Race are well underway. The next meeting will be on Monday at 7.00pm in the school library.

Finally, congratulations to Jackson who is now representing the North West Region at state level in 50m breaststroke. Good luck at this event on Wednesday 25.3.15. I know he is very excited to be swimming at the Sydney Aquatic Centre.

Ian Worley
Principal.

QUIRINDI PULIC SCHOOL P. & C. **HORSE SPORTS**

Monday, 27th April, 2015
