Friday 12 <sup>th</sup>	Zone Athletics
Tuesday 16 <sup>th</sup>	Principal away-meeting
Monday 22 <sup>nd</sup>	Scripture
Tuesday 23 <sup>rd</sup>	Book Week Parade

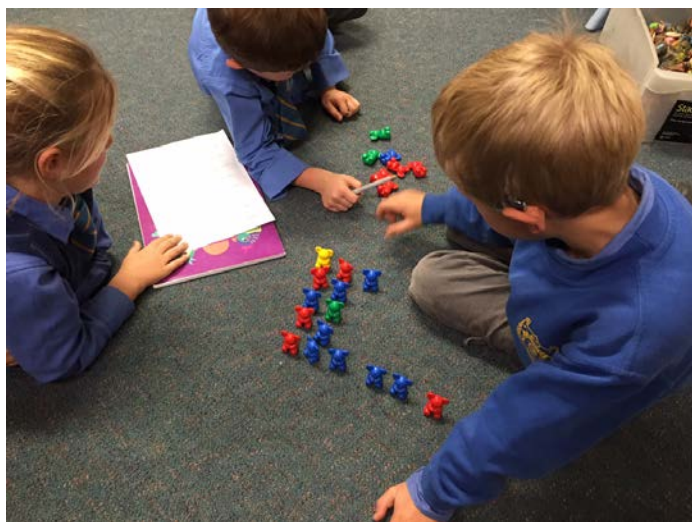

Eisteddfod Wins All Round

Congratulations to all of the students for their outstanding performances in the Tamworth Eisteddfod on Tuesday. This is a great opportunity for students to take part in a major event and showcase their wonderful skills. All groups

took home first place trophies. These were well deserved. Next week-Tuesday- students who have nominated to take part in the individual eisteddfods will perform. This will start at 10.30am at the West Diggers in Kable Avenue. Please be sure that you have made arrangements for travel to and from the event and that your child has been learning their poem. All students have been given notes leading up to this event. Students participating are Campbell Jones, Charlie Jones, Gryffyd Trousdale, Ryan Fitzgerald, Jade Krsulja, Ella Worley, Jessy-Lee Deaves, Brooke Krsulja, Quinn Gibson, Wunda Jaffer-Williams, Erica Eather, Cormac Trousdale, Saskia Fitzgerald and Montana McInnes.

Friday of next week will see 3 students; Saskia Fitzgerald, Sam Archer and Wunda Jaffer-Williams head to Coolah to take part in the Regional Cross Country. These 3 students will represent our zone. Wunda placed second, Sam fourth and Saskia won her division at the Zone Cross Country. Well done. Brooke Krsulja and Ryan Fitzgerald placed in the top ten in their age groups. Good luck and I am sure we will be hearing about you getting through to State.

Years 5 and 6 will be heading off to Canberra in week 10- the last week of this term. This is a very exciting trip. Mrs Price will be accompanying them. The students have been able to access a much reduced price for this excursion due to a number of factors. A major contributor toward excursions is the P&C. Without them we would not have such heavily subsidised excursions. Another significant contributor to the Canberra excursion is the PACER subsidy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$30 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.

A big congratulations to our debating team, Nundle Blue- Erica Eather, Charlie Jones, Lindsey Burnes and Kandy Self.

They debated the Quirindi Public team on Monday. This was a fantastic debate. The topic was. Children should be banned from watching movies and t.v. during the week. Nundle was the affirmative. They argued an excellent case which resulted in a well deserved win. Also, congratulations to both Erica Eather and Charlie Jones for their fantastic participation in the Public Speaking competition held at Tamworth South on Tuesday after the eisteddfod. Both girls spoke very well and represented the school to a high standard.

As many of you are aware, Mrs Warden has been in hospital in Sydney. She underwent an operation on Friday of last week. It was a lengthy operation. Mrs Warden is still in hospital. Once she moves into a ward we will be sending her some flowers and special cards made by the students. We are all thinking about her and hoping for a good and speedy recovery.

At this stage, the Principal's position has not been filled. The process is that the Department of Education will look at its system to see if anyone has a transfer in. If this occurs and the person accepts the position, this will complete the process. If there is nobody with an active transfer in for Nundle and the position is not filled, the Director, Ms Ruythe Dufty will convene a panel to write an advertisement and advertise the position. Applications will be received and interviews conducted. Once we have been notified about the outcome of the process I will let the community know.

Ian Worley

Principal

**CLASS AWARDS 1<sup>st</sup> June 2016**

**STUDENT OF THE WEEK - WILLIAM ARCHER**

**For wonderful manners and participation**

**Kindergarten** -Cooper Burr – co-operating with others in groups

**Years 1/2** Alex Burr – insightful scientific predictions

**CLASS AWARDS – 8<sup>th</sup> June 2016**

**STUDENT OF THE WEEK – MILEY EDELBROEK**

**For being a wonderful enthusiastic learner**

**Kindergarten** - Eric Robinson – excellent effort at Eisteddfod

**Year 1/2** – Riley Emerton – working hard during history

**Year 3/4** - Jade Krsulja – trying hard in everything

**Year 5/6** – Emily O'Connor – helpful attitude

Erica Eather – effort in poetry

### **Kindergarten Class Report**

We have Miss Lynch in the class for four weeks. Miss Lynch is a student teacher from the University of New England. She is helping us with our work.

This is a poem, we wrote with the 1/2 class, about the eisteddfod:

The Eisteddfod

We rode the double-decker bus, without making a fuss.  
Remembering all the words, and swerving amongst the herds.  
We stood up tall on stage, and the teacher flipped the page.

### **Year 2/3 Class Report**

We have been learning about Position. We wrote directions for an obstacle course and had fun sharing our instructions.

### **Year 3/4 Class Report**

We have been continuing on with our new weekly spelling words and sentences.

We have also started doing independent reading. After each day we have been filling in a sheet for our reading record.

After fruit break we do our Fast Maths. Some people do 50 sums and the others 40 sums.

We are still reading The Lion, the Witch and The Wardrobe. We are writing down nouns and verbs from the text. Today we wrote descriptions about the forest.

On Tuesday we went to Tamworth for the Eisteddfod and we won! For History we are learning about how the Aboriginal people lived. Did you know that the Aboriginals left Africa in the Ice Age?

We did our 100 Word Challenge for this week. You had to mention your senses, (smell, taste, sight, touch and hear) as well as the words you were given, and then print it out.

By Brooke and Kayden

### **Year 5/6 Class Report**

The last two weeks have been very busy ones for 5/6. We have been practising our poems ready for the eisteddfod. In maths we have been focussing on addition and subtraction and problem solving. To help us with this, Mr Worley has been getting us to work backwards from the answer and create the questions. It has not been as easy as we thought. In English we are making a documentary about things happening in the school. We are using the I pads for this. We have had to write questions, sequence events, create storyboards and interview people. We are editing all of our recordings on the I pads. You will be able to see them as part of the school website when they are finished. We have continued studying rockets in science and we lucky to have Mr Burnett here on Monday with his rocket kit. We are all able to make our own rockets at home now.

#### SRC and P&C BUSH DANCE

FRIDAY 24<sup>th</sup> JUNE 6pm

This will also be a chance for us to FAREWELL Mr Worley. We will be having a supper and special presentation at 7.30pm. If anyone from the community would like to come along to the presentation, we'll see you at 7.30pm. Supper provided by the P&C

#### Special Monday Lunches

Monday 20th June will be

**Spaghetti Bolognaise**
