Thursday 22 nd	Musical – Rio 16 7pm Start
Friday 23rd	Last day of Term 3
October	
Monday 10th	Students return Term 4

Principal's Report

Dear Parents and Carers

After one false start, Kindergarten, Year 1 and Year 2 students went to Tamworth last Tuesday to watch the play 'The Peasant Prince'. This was a very enjoyable day at the theatre and the Adventure land Playground. Thank you very much to Mrs Ryan for arranging another bus and to Miss Warden for rescheduling the tickets for the performance.

We also had a visit from the Rural Fire Service on Thursday. All students had an opportunity to learn about fire safety and have a close up look at the fire truck. Thank you to the representatives from the fire service. This was a very engaging way of learning.

Next week we have our musical evening. Please look out for another note, early next week, with final details of arrival times etc. It would be fantastic if all students are able to attend the performance on Thursday evening, as they are all involved. Please let Mrs Ryan know, as soon as possible, if your child will not be attending, so we can arrange a replacement.

I am currently arranging the timetable for music lessons next term. Please let me know if you would like your child to begin learning an instrument with the teachers from the Tamworth Conservatorium of Music, or if you wish to make any changes to the current lessons.

It's hard to believe that next week is the last week of term, and this is the last newsletter for Term 3. I would like to thank everyone who has supported me, whilst I have been relieving as principal.

Lynne Weis
Relieving Principal

Class awards –1/9/16

Student of the Week

Jack Whale

Effort in class and overall participation

Kindergarten

Tarlieya Taylor – Enthusiasm for learning

Year 1/2

Digby Gibson – Working hard

Nundle Swimming Club AGM

The Nundle Swimming club will be hold the Annual General Meeting on Friday 16th September 2016 at 3.30pm at Captain Cook Park, Nundle.

Please come along and find out what is planned for the upcoming swimming season.

Hoping to see as many past and new members as possible there!

For further information call Secretary Marjolijn Fitzgerald 042791885

Kindergarten Report

We have had Mrs Symonds in Kindergarten this week. She will be with us next week as well. We have been doing lots of writing and continuing with our reading groups.

In mathematics we are learning about two-dimensional shapes and we had an interesting science lesson on Monday, where we conducted an experiment to find out which materials are waterproof. This could prove to be very useful information at the moment.

All kindergarten students are involved in the chorus of the musical and have worked hard to learn the songs ready for the big performance.

Year 1/2 Report

As term is coming to a close students are continuing to work hard in all subjects as well as rehearse for the upcoming musical performance.

1 and 2 have had some changes to their morning routine. They have been completing literacy back in their own classroom. They have settled in to the new routine smoothly.

They have been studying the text 'My Place' by Nadia Wheatley, and are enjoying looking at times past. In connection to this text we plan to visit the museum on the last day of term so students can see examples of past technologies and life.

Monday Lunches – Term 3

\$5 per serve

**Fish & chips Monday 19th
September**

Year 3/4 Class Report

In English we continue to learn about anything to do with Antarctica. Our class novel is Mr Poppers Penguins. We wrote a diary entry pretending we were Douglas Mawson arriving at Macquarie Island in 1911. In Maths we have been converting fractions to decimals to percentages and back again. We have also been adding and subtracting algorithms with trading.

Year 5/6 Report

The short animated film titled Rikki Tikki Tavi by Rudyard Kipling was a thrill for the Year 5 and 6 students to view. After reading the literary text students are now learning comparative writing as they busily draft their persuasive essay; the book is better than the movie. The It's Electrifying Science Unit culminated in a fantastic class presentation at the recent school assembly demonstrating materials that act as insulators and conductors. It was particularly impressive to see students using scientific vocabulary during their deliveries. Singing, dancing and acting has taken up most of our afternoons with musical practice.

Visit from Tamworth Rural Fire Service

<p>Tamworth Regional Conservatorium of Music</p>	<p>School Holiday Music Workshops Wed 28th, Thurs 29th Sept (1st week of school holidays)</p>

Sept-Oct School holiday Tennis camp
Nundle Caravan Park

A fantastic tennis camp experience for kids of all standards. Try tennis for the first time, or improve your game while having heaps of holiday fun with school buddies and new friends.

Tennis Australia's ANZ Hot Shots Development Program. Children will be put into groups depending on their age and tennis ability using the Hot Shots grading system (Blue 3-4 yrs, Red 5-8 yrs, Orange 8-10 yrs, Green 9+)

Camp consists of a mixture of cross training using other sports for tennis related activities (cricket, basketball, t-ball) helping children to further develop their hand-eye co-ordination. Tennis is still the main focus.

- Sept 29, 30.
- 9-11am - 5-8 yrs.
- 9-12 noon - 9yrs upwards.
- Competitions, skill development, drills, games.
- \$45 per week, \$25 per day.
- Limited numbers-bookings essential.

Conducted by Chris Herden- Tennis Australia Club Professional, Former top ranked NSW junior, USA college player, 25 years international, Australian coaching and playing experience.

Private/Semi private/small group lessons can be organised with Chris.

Enquiries and bookings: 0400 331 553.
