August 8th	Free Dental Clinic—NPS
August 11	PSSA Zone Carnival—Tamworth

Principal's Report Term 2 Week 9

School Reports

Teachers have been busily writing reports to be sent home during Week 10. This is a great opportunity to sit down with your child and discuss what they love about school and what they do particularly well. In addition to this, it is a great opportunity to look at what we can continue to work on throughout the year. I encourage parents to contact their child's teacher to make a time to discuss reports further. We need to remember that we are in the business of raising young children together, and a strong partnership between school and home will only benefit your children.

Buddy Bench Brings Self-Management

The "Buddy Bench" has been in action for 2 weeks now. I've spoken to children on numerous occasions who have reported that they have been helped by a buddy, or that they have helped someone in need. This is a great self-management technique and bodes well for the future of our school with children who are able to regulate their own behaviours. The ability to self-regulate our emotions is a key factor in becoming independent learners.

Eisteddfod

Congratulations to those students in Years 3, 4, 5 & 6 who performed at the Tamworth Eisteddfod last week. The individual responsibility that students took in choosing, learning and performing their item was outstanding. A special congratulations to Saskia and Ella who both won their individual divisions.

Eisteddfod Showcase

To show off our talented performers, we will be holding a showcase of Eisteddfod items in the school hall on Friday, next week at 12:10pm. Parents are invited to attend the performance. Some students who have been participating in our Conservatorium Music lessons will also get an opportunity to perform.

Netball Clinics

Our final Netball clinic took place on Thursday with Netball NSW. Students finished off the term by participating in games of netball. Special thanks to Sophie for coming out to Nundle and showing our kids a great time and introducing them to a great sport. We hope that she can join us again in the future.

Athletics Carnival

Our Annual school Athletics carnival will be held next Thursday on the town oval. I hope lots of parents are able to join us on the day to ensure students are well supported and encouraged to participate to the best of their ability. Students have been having lots of opportunities to train prior to the carnival. Our younger students will benefit from the experience of participating in a carnival and seeing how everything works.

Principals Report Term 2 Week 9 Continued:**Debate**

Good luck to our 2 teams participating in debates next Wednesday against Woolomin Public School and Bendemeer Public School.

Regional Cross Country

Congratulations to Saskia & Wunda on their outstanding efforts at the Regional Cross Country at Coolah on Friday. Saskia came second and Wunda third in their age divisions. They will both represent the region at State level on July 21.

**Holidays**

This is our last newsletter before we break for 2 weeks of holidays. Thank you to all of the parents who have continued to support our students in their learning this term. We encourage all parents to be actively involved in the school. If anyone has any ideas or questions I encourage you to fill in our online feedback form, that can be accessed via our website or via our school Facebook page or get in contact with Mrs Ryan at school to make an appointment. School returns for students on Tuesday, July 18.

School Feedback Form can be accessed by any browser including Smartphones

Concert

Nundle Public School will be holding a concert on **Friday 30th June at 12.10pm** in the School Hall. The concert will showcase our talented students that performed in the Tamworth Eisteddfod and some items from some students participating in weekly music with the TRCM. Everyone is welcome to attend. If you would like your child to begin or resume music next term, please contact the school.

At this week's P & C meeting, it was agreed that we would add a navy merino wool jumper to the school uniform. As we know, Nundle experiences some cool winters so a wool jumper was felt an appropriate addition to our uniform to keep the kids a bit warmer on those cold days.

The jumper will be embroidered with the NPS logo. The cost of the jumper will be \$25.00 each (the P&C will supplement the difference, the actual cost of the jumper is \$55.00). This jumper is not compulsory, the current royal blue sloppy joe will remain part of the uniform.

The available sizes will be size 6, size 8, size 10 & size 12.

If you would like to order a jumper, please contact Lyn at the office with your required size or sizes. So that we can have the jumpers available for this winter, we plan on placing an order to the manufacturer by next Thursday 29th June. Hopefully the jumpers will be available early in Term 3.

Term 2 finishes next
Friday 30th June.
Term 3 Resumes Tuesday
18th July.
Happy Holidays.....

COLOURED PLASTIC BOTTLE TOPS FOR THE YEAR 2/3 CLASS. THEY HAVE A FANTASTIC PROJECT THEY WANT TO DO AND ARE IN NEED OF THESE. PLEASE START COLLECTING AND SEND THEM ALONG TO SCHOOL FOR MRS PRICE. THANK YOU.....

Good for Kids good for life

HEALTHY WINTER WARMERS

In winter it can be easier than usual to say no to exercise and eat more energy dense, nutrient poor foods for comfort and warmth.

But this doesn't have to be the case!

Here are some ideas for healthy meals that are cheap, delicious and warming:

- Soups – think pumpkin, vegetable, lentil, tomato or minestrone
- Toasted sandwiches – fill them with baked beans, cheese, ham, roast beef, tomato, avocado, spinach etc.
- Mini pizzas – made using English muffins, tomato paste, lean meat/veg and topped with grated cheese; cooked under the grill or in the oven
- Casserole – pack them full of vegetables such as potato, carrot, peas, celery or pumpkin
