

NUNDLE PUBLIC SCHOOL

NEWSLETTER

TERM 1 – WEEK 10

From the Principal

Good afternoon everyone, and welcome to Week 11, the final week for what has been a great term at Nundle Public.

In the past fortnight, students have been participating in an abundance of activities both in and out of classrooms. Our Harmony Day celebration with Dungowan Public School was followed by a presentation by master puppeteer Andy, who delivered a message about how we can STAMP out bullying. STAMP forms the acronym

Stay Away – To avoid bullies

Tell Someone – Reporting a bully is not being a ‘dobber’

Always help – The power of peers

Make Friends – Including students who are easily left out

Play Nice – Making sure that YOU'RE not being the bully

All of the students took on this message beautifully and have been actively focusing on Playing Nicely for the last 2 weeks of term.

Our string ensemble is going ahead in leaps and bounds with some the students even practicing during lunch times to brush up on their skills. Some of our young musicians are also branching out into the world of performance by going up to the Pre-School to play for their young fans. This is a great way of giving purpose to the playing that students are doing. I look forward to seeing the boost in confidence these students gain from the experience.

The Naplan trial took place last week, with students in Years 3 and 5 completing the Omnibus test to get exposure to the test format and different types of questions. Our hardware has also been tested and adjustments already made to make the process smoother.

Volunteers needed

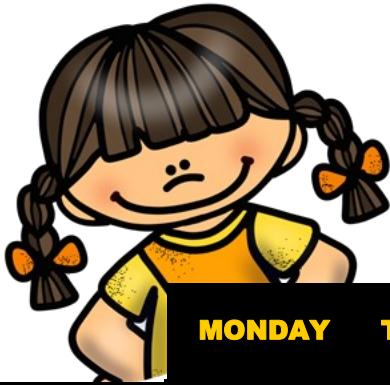

With the Great Nundle Dog Race being held on the first weekend back in Term 2, we are looking to gather and organise our volunteers before the end of the term. Can you please register your availability with the school so we can allocate the roles according to need. We will also need lots of baked goods to put on sale so please be prepared to lend a hand. Our weekly meetings are currently attended by between 5-10 parents, which is great, but to make the dog race a success, we need lots of helpers on the day and in the lead up.

There will be a buffering period between summer and winter uniforms as there are still some hot days to be had in May. Please make sure students have jumpers and hats clearly labelled.

I hope everyone has a safe and happy holiday. Staff will be returning on Monday April 29, while students return on Tuesday, April 30.

I look forward to seeing everyone back for a busy Term 2.

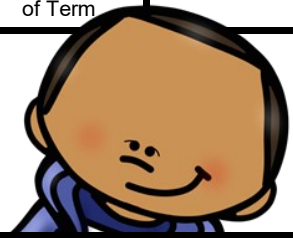

Stephen Gadd

Term 1

	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY	WEEKEND
Week 10	1 April	2	3	4 Scripture	5 Canteen	6 & 7
Week 11	8	9 11 Years rugby union trials	10	11 Woolomin SRC Disco 6pm-8pm	12 Easter Hat Parade & Egg Hunt Last Day of Term	13 & 14

Class Awards 12th March

Years K/1/2

<i>Annie</i>	Following instructions in guided reading
<i>Destiny B</i>	Using different strategies when reading
<i>Jemma</i>	Improvements in maths

Year 3/4

<i>Xavier</i>	Great writing strategies
<i>Max</i>	Great writing strategies

Year 5/6

<i>Chloe</i>	Persistence in maths
<i>Clay</i>	Outstanding leadership

Class Awards 18th March

Years K/1/2

<i>Chase</i>	Fantastic effort in guided reading and writing
<i>Sebastian</i>	Fantastic effort in guided reading and writing
<i>Serenity</i>	Outstanding effort in all areas

Year 3/4

<i>Maton</i>	Fantastic effort in literacy sessions
<i>Eric</i>	Worked well and quietly in all areas

Year 5/6

<i>Faith</i>	Persistent problem solving in maths
<i>Tiffany</i>	Dedication to the task in group work.

Stamp out bullying

Last Friday the students attended the Stamp Out Bullying Puppet Show. Using comedy, magic and puppets, STAMP Out Bullying had the students in fits of laughter and hanging on every word as the 5 important STAMP principles were illustrated.

S tay away	How to avoid bullies.
T ell some one	Reporting a bully is not being a 'dobber'.
A lways help	The power of peers.
M ake friends	Including students who are easily left out.
P lay nice	Making sure that YOU'RE not being the bully.

Science and Engineering Discovery Day.

We went to the TRECC for the Science and Engineering day. We had a go at many different activities. There was bridge building which was hard. We had to build a bridge that could hold as much weight as possible. Our bridge was quite sturdy. We didn't have the strongest bridge but we had fun building it. The best part of the day was getting to know other kids.

What's Happening in K/1/2

Despite it being the end of term the students in K/1/2 have been working harder than ever. Everyday we are reading a variety of texts and using different strategies to come up with answers in English and Maths.

We have been focusing on informative texts in English and reading lots of non-fiction books. We have been learning how to structure scientific and book reports. In Maths we have been practising our addition and subtraction and looking at place value. We are learning to use the most efficient strategy to solve a problem. I'm so impressed with everyone's work ethic at the moment.

N. Worley

We did some Aboriginal symbols in Art and H.S.I.E and it was really fun. The symbols were of waterholes, some big and some small, and there were the moon, sun and campsites. We did dot painting.

By Jemma Borchard

We have been learning about aboriginal symbols in H.S.I.E. Some of them are big and small campsites, the sun and kangaroo tracks. They used yellow, orange and black.

By Serenity Smith

My artwork is about Aboriginal symbols in their painting. The way they made paint was with rocks, water and clay. The colours they had to use was orange, brown, red, yellow and black.

SCHOOL ZONE ROAD SAFETY

Understanding the road rules

No Parking

A driver must not stop for more than two minutes. You must remain in or within three metres of the vehicle.

Disobey No Parking sign \$187 fine & 2 demerit points

No Stopping

A driver must not stop in this area.

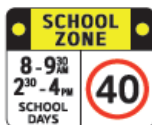

Disobey No Stopping sign \$337 fine & 2 demerit points

Bus Zone

Vehicles other than buses are prohibited from parking or stopping in this area. Hours of operation may apply. Restrictions apply for those times only.

Stop in Bus Zone \$337 fine & 2 demerit points

School Zone

40km/h speed limit during hours of operation. Double demerits apply for speed offences in a school zone.

Stop in Intersection in school zone \$448 & 2 demerit points

Crossings

A driver must stop at the white hold line if pedestrians are waiting to cross. Drivers must remain stationary until the crossing is clear of pedestrians and must obey instructions from School Crossing supervisors.

Stop On/Near Children's Crossing \$448 fine & 2 demerit points

What you can do

Here are a few things you can do to help keep your child and others safer during drop-off and pick-up times during the school week.

- ▶ Always park and turn legally around schools and avoid dangerous manoeuvres like U-turns and three-point turns
- ▶ It's safest for children to get out of the car on the kerb side of the road to be away from passing traffic.
- ▶ Where provided, use Children's Crossings to drop-off & pick-up children.
- ▶ Always hold your child's hand - young children may be easily distracted and wander into traffic.

- ▶ Always give way to pedestrians especially when entering and leaving driveways.
- ▶ Stick to the 40km/h speed limit in a school zone as children are about and can be unpredictable.
- ▶ Make sure your children are in the correct child car seat that is fitted and used correctly.
- ▶ Make sure your child is wearing a helmet when riding a bike, scooter or skating.
- ▶ Look out for buses - a 40km/h speed limit applies which school bus lights flash.

Always meet your child at the bus stop. Never meet them on the opposite side of the road and call them across.

**Your child's safety depends on you.
Young children can learn these safe habits from you.**

REGIONAL COUNCIL

Anzac Day Commemoration

We would like to encourage as many students as possible to attend the Nundle Anzac Day Service on Thursday 25th April 2019. Please assemble next to the hall at 10.45. The service will commence at 11am. Students are to wear full winter school uniform. We look forward to seeing as many families as possible at this very important community event.

ANZAC DAY · 25 APRIL

Lest We Forget

Easter Hat Parade

Parents, family and community members please join us for our Easter Hat parade and egg hunt on Friday the 12th April 2pm. Students are encouraged to prepare their hat at home and bring it to school on the day.

2019 Great Nundle Dog Race

Our 40th Great Nundle Dog Race is fast approaching. This year it is Sunday the 5th May. The Dog Race committee has been busy getting prepared for our annual fundraiser event. We are calling out for families to help make the day a success.

We need volunteers for canteen preparations and canteen duties, hot dog stall, face painting and kiddie's tent, parent judges on the day and more!

Please call the school office and let us know what you do or you can email us at nundlepc@gmail.com ALSO we are asking for school community volunteers to help out on the Nundle Lion's Club BBQ at the go-for-gold festival on the Easter long weekend. The Nundle Lions club run the BBQ at our Great Nundle Dog Race and donate the profits raised to the Nundle P&C Great Nundle Dog Race. It is great to see our Community groups working together! If you can help out on the Lion's festival BBQ please contact Carol Fiddes on 0429 978 732.

VIRTUAL REALITY & MOVIE MAKING		VIRTUAL REALITY & MOVIE MAKING		VIRTUAL REALITY & MOVIE MAKING	

STRICTLY AGES 13-22

For NSW Youth Week the library is holding a 90 minute workshop for teenagers and young adults to experience the library's Virtual Reality system. With the headset on and two hand controllers, you will be transported into underwater worlds, onto space stations and strange new realms for you to explore, play and create in!

In between Virtual Reality sessions we will teach you how to use PC video editing software, enabling you to create your own movie trailer or short film from our collection of video clips and music tracks.
