TERM 2 – WEEK 4

Good afternoon Everyone

Welcome to Mrs Cohen. Mrs Cohen is replacing Miss Boland for the remainder of this term while she is on leave. We welcome Mrs Cohen to our staff team. She has extensive experience working across a range of educational settings and we look forward to her making a great contribution to our school.

Eistedfod practice is ramping up with each class participating in the Poetry recitals on Tuesday, June 4. It is vital that students have opportunities to practice their poems at home. We encourage this activity for a number of benefits to students. Firstly students develop confidence to perform on bigger stages, such as CAPERS (in term 4), poetry and rhymes help develop rhythm, phonemic awareness, memorisation skills and self-expression.

“May”hem is just about over. Another collection of parents and community members will once again give up their time at the zone cross country tomorrow. Following this, we will get a well earned break from fund raising activities. I would like to thank everyone sincerely for your support of our school and our students.

You may have noticed that we have a white cow in the front garden. This cow is part of an Australia wide program helping students learn about the dairy industry, its products, health and nutrition benefits, farming practices and manufacturing processes. This will form an

integral part of our work across all aspects of the curriculum, encouraging the development of ideas and creativity through cooperation and teamwork.

Have a great week

Stephen Gadd  
Principal

## Travel safe to School Day

Last Friday we celebrated walking/riding safely to school day by practising road safety rules to encourage the students to be more aware of road safety. It was great to see so many students having fun and being allowed to ride their bikes and scooters around the school grounds.
