Term 1 - Week 2

Principals Report

What a busy start to Term 1!!

We are well and truly zooming along as we start week 4.

A huge congratulations goes to our students, staff and volunteers for again hosting a wonderful Peel Valley Small Schools Swimming Carnival.

All Students competed with confidence and conducted themselves very well. I was especially impressed by the school spirit and encouragement offered by all participating schools. With the current school value being, "Treating everyone with the respect you would also like to be treated". I felt proud that our students used this in every way throughout the day.

We will be holding our first Parents and Citizens meeting for the year on Tuesday the 18th of February at Nundle Public School, 5.00pm.

I would love to invite new and existing parents and community members along to join in the organisation. It is a wonderful way to get to know the school community and have input into your child's education.

It has been lovely to see some rain again and I hope it continues to ease the drought and water restrictions for the future.

Have a wonderful week!

Many thanks,

Mrs Liselle Abbott

K,1,2 had a wonderful time learning Chinese at their first Chinese language lesson. Their Chinese language lesson is via a video conference call with a Chinese language teacher in China!! The learning opportunities technology can bring to students today is fantastic.
