Term 1 - Week 8

Welcome to Week 8

We have had a very full and busy past 2 weeks!

I would like to congratulate our School Swimming Relay Team, for qualifying to represent our School at the State Carnival to be held at "Olympic Park" Homebush in Week 11. Best wishes go to Chloe M, Zachary, Gryff, and Alex from myself, and all Nundle Public School staff and students.

Also congratulations to Sienna and Zachary, who qualified in soccer for Southern Trials to be held in Gunnedah today.

These past 2 weeks I have had the pleasure of visiting all our classrooms and am happy to say that the level of learning and engagement is amazing. Our students are very well rounded in their achievements both academic and sporting. Our staff should be extremely proud of the quality experiences and learning that is taking place.

Our value for the week remains as "Courage" and taking responsibility for ones' own actions and choices.

Congratulations again to all our wonderful students and staff,

Mrs Liselle Abbott

Virtue of the Week

Courage

The habit of accepting your fear and making yourself say or do the things you know are right and are more important than your fear.

We will:

Try our best at everything you do.
Take responsibility for our actions .
Listen to our conscience.

GNDR 2020 Dog drawing competition

Liselle to get dog drawing competition underway

Feedback from 2019 GNDR

Merch Tent:

- Let's try and source a supplier to do a small round of t-shirts and caps for 2020. (Include toddler/small children size).
- Calico Bags sold well, but we will have enough for 2020.
- Coffee Cups were a hit and almost sold out. Let's bring back for 2020.
- We need rubber branded wrist bands (colourful) to sell for 2020 (helps to have cheaper/small ticket items for kids to buy). We can also use these on the fluffy dogs.
- We have enough dogs and socks for 2020.
- We have enough stickers and magnets for 2020.
- Look to include some "dog" items. Such as branded dog leads/dog collars/doggy doo bag dispensers/dog bowls.
- Include Dog "Glitter" tattoo (we just need a stencil of a small dog and buy the glitter and body glue) These could be done for \$2 each on the merch tent or face painting.
- Branded water bottles.
- Are we able to run the school drawing competition earlier in Term 1 so we choose the winner and have ample time to source and produce merchandise for 2020.

Robert's feedback for the grounds. The entrant tickets they purchased need to be given to the actual event host when they turn up for the event with their dog. (please ask ground helpers not to collect as the entrant walks through the gate to the oval) This was quite confusing for example at Doggy High jump as some entrants were turning up with their tickets, and some were turning up saying "oh the guy over there took our ticket when we walked onto oval". There was no way of logistically being able to check this so Robert had to trust that everyone paid their entrant fee and allowed them to compete.

The Backtrack Boys were a great addition to the event and provide great synergy. Some of them helped Robert and Dave with Doggy High jump and Robert was grateful for the help. Let's invite them back next year. They sold nearly all of their DVD's on our merch tent which was really great to see they benefited financially from being part of our day as well.

Marketing – perhaps for 2020, we look to shift a little of the marketing dollar spend into the Central Coast and Newcastle areas. I met a few people on the merch tent that came from Central Coast to Nundle and spent the weekend in town specifically for GNDR. They both commented it would benefit us to market more in their regions. (Apologies Megan if this is already happening).

OOSH
