## HALOGEN EXCURSION SYDNEY

In Week 7, 2 of our leaders Jasmine Brennan and Marlee Gulliver attended the Halogen Young Leaders Conference at Darling Harbour. The purpose of this conference is to inspire young people to develop their leadership skills and leadership potential. The conference was attended by 5000 students and their teachers. The speakers for 2023 were Chris Green (captain of the Sydney Thunder cricket team), Caitlin Basset (former captain of the Diamonds netball team), Nazeem Hussain (Comedian), the Governor General David Hurley and Dr Jordan Nguyen. There were many take home points including learn from your mistakes, be yourself, take all opportunities offered to you, leaders serve the people, laughter builds you up and one life persists to improve the lives of many.

## FROM THE OFFICE

### Canteen

Canteen is open every Thursday. If your child wishes to order from the canteen, please send their order written clearly on a paper bag or envelope with the correct money enclosed. Your child can hand in their order as they arrive to the school, to the staff member at the gate, or at the office.

### Report to the Office

Any visitors entering school grounds are to report to the office and sign in using the QR code. If your child is late to school, they also must report to the office before going into their classroom so the rolls can be adjusted.

### Changes to routine

Please let the school office know of any changes to your child's normal school routine.

## PRINCIPAL'S REPORT

### Busy Bees, Diggers, Trains and Apple Pie

Nundle Public School has once again been a hive of activity since our previous newsletter. Last week Mrs Prices' class suited up and inspected our two beehives. All our Year 3-6 students eagerly hopped into their protective gear to complete the inspection and look forward to extracting some honey in the coming weeks.

Our sandpit play area has turned into a serious construction zone this week with the donation of four diggers. The boys and girls have been using the new additions to build roads, demolish castles and bury fossils.

The very creative students in Mrs Worley's class have been utilising their imagination and displaying amazing cooperation by working together to become a very long, very noisy, and very funny hula hoop train several times during the week.

Thanks to Mrs Price and her crew of cooks, everyone enjoyed an end of week treat last Friday. Our senior class worked together to pick, wash, peel, chop, cook and bake apples into delicious apple pies which were served with a dash of ice-cream. What a fabulous way to end a busy week of learning.

In addition to all of these memorable experiences for our students, they have been engaging in rich literacy lessons and challenging maths tasks. They have been learning languages, coding LEGO creations, and many more valuable educational experiences. We truly are very lucky to attend Nundle Public School.

**Catch Up BBQ** - Last Tuesday we hosted a catch-up BBQ for students and their families. It was a great night for those who were brave enough to battle the rain and wind. After the weather passed, we enjoyed a sausage sizzle, a chat and an ice-cream. It was a fabulous opportunity to spend time learning about our students' lives outside of school and getting to know their families. I look forward to doing it again soon.

**Joshua McDonald, Principal**

## Congratulations to our two new committee members

Nundle P&C would like to congratulate

Donna Denton on her nomination and acceptance of her new role as P&C President as well as Stephen Etherington on his nomination and acceptance as P&C Vice President.
