# PRINCIPAL REPORT

Welcome back to another amazing year at Nundle Public School. We are looking forward to a year filled with learning, laughter, progress, achievement, friendship and adventure. A very special welcome to our five lovely Kindergarten students. We also welcome new students in Year 4 and Year 6 and are pleased to have new families joining us this year. We know you will all enjoy being part of the Nundle Public School community.

This year, each of our newsletters will include a special section dedicated to highlights from our classes. This fortnight we begin with highlights from Mrs Price's 3/4/5/6 class. We hope you enjoy the regular peek into the amazing learning taking place in our school.

To start the year, we would like to invite all families to join us at our Welcome BBQ on Tuesday 20 February at 5:30 pm. The evening will include a free sausage sizzle, drinks and a treat for the kids. Teachers will be hosting short sessions in their rooms to discuss routines, upcoming events and to give families an opportunity to see where their children spend their days while at school. We will also have a selection of fun games and activities for families to enjoy. We look forward to seeing you all there.

I hope you all have a wonderful week and I look forward to seeing many of you at tomorrow's swimming carnival.

# Class Highlights - Mrs Price 3/4/5/6

3/4/5/6 have had a very busy start to the year. We started with some poetry, Mulga Bill's Bicycle, and did some work on our fluency and then drew some fantastic portraits of Mulga Bill. Our new novel, Boy Overboard by Morris Gleitzman has started with lots of suspense, and we are very keen to read more.

In Maths we are reading numbers up to trillions, using our Maths houses, we are discovering that reading large numbers is not so hard.

A huge thank you to those parents who came and helped with weeding the vegetable garden. The vegetable garden is overflowing with produce, and today we cooked tomato pasta for all the kids at school. For afternoon tea we have made a platter of cucumber, tomatoes and beans for everyone to snack on.

## FROM THE OFFICE

### Updating student details

A general permission note and student details note has been sent home. Please advise administration of any changes to your child's contacts - this includes emergency contacts, the emergency contact needs to be someone other than the parent/caregiver that can be contacted about your child and is able to collect your child if needed.

### Changes to routine - IMPORTANT REMINDER

For any changes in your child's routine, parents must formally advise the office staff either:

- In person, phone call, email or
- A note sent in dated & signed detailing changes.

### Report to the Office

Any visitors entering school grounds are to report to the office and sign in using the QR code. If your child is late to school, they also must report to the office before going into their classroom so the rolls can be adjusted.
