PRINCIPAL REPORT

As the term comes to an end, I have been reflecting on many of the amazing experiences our students have engaged with over the last 10 weeks. We have been lucky enough to send our Year 6 students to a leadership conference in Sydney, join a group of small schools to celebrate Harmony Day, enjoyed several lunches cooked by our staff and students and tried our best at a very inclusive swimming carnival. In addition to the extracurricular experiences, I am also very pleased to witness the academic progress our students make each and every day. Our Kindergarten students have started their journey as readers by learning new letter sounds. Mr's Prices class have been crafting their writing and taking a deep dive into some very interesting texts and our Stage 1 students have been learning new strategies to solve addition and subtraction problems. I look forward to seeing our 31 amazing students continue to progress, participate and enjoy their time at Nundle Public School.

Easter Hat Parade

Last Thursday we were joined by family and community members to share the Easter spirit as we paraded around in custom Easter Hat creations. A highlight of the day was seeing our preschoolers and mums and dads joining in the parade by dancing bopping around. Thank you to Mrs Ryan and Miss Taylor for preparing the hot cross buns and organising our Easter egg hunt.

Water Bottles

Over the last few weeks the staff and I have noticed several students bringing bottles to school filled with drinks other than water. We ask that your child brings only water to school to keep them hydrated throughout the day. If there are any special circumstances where drinks other than water are required please contact the office or your child's teacher.

The Great Nundle Dog Race

This amazing community event, organised and hosted by our P&C, is only 4 weeks away and we need volunteers to make it happen. If you are unsure about whether to volunteer, take some time to consider how the P&C support you and our school. The biggest, but not always the most obvious way in which the P&C help is through their very generous financial contributions to the school. As was the case in 2023, the P&C's financial donations to the school will ensure that not one family will be asked to contribute to the cost of major excursions, sporting events, bus travel, cultural events and visiting performances during 2024. This makes Nundle Public School very unique in the educational landscape. If you are able to help the P&C by giving some of your time to set up on Saturday 4 May or to assist running the event on Sunday 5 May, please contact the school office to get the information you need.
