PRINCIPAL REPORT

Welcome back to another amazing year at Nundle Public School. We are looking forward to a year filled with learning, laughter, progress, achievement, friendship and adventure.

A very special welcome to our four lovely Kindergarten students. We know they will all enjoy being part of the Nundle Public School community.

This year, each of our newsletters will include a special section dedicated to highlights from our classes. This fortnight we begin with highlights from Mrs Price's 3/4/5/6 class.

We hope you enjoy the regular peek into the amazing learning taking place in our school. This evening, we have our first P&C meeting for the year followed by our first Dog Race meeting.

If you would like to be involved in the organisation and planning of this year's event, please feel free to join us in our school Library from 5pm

I hope you all have a wonderful week, and I look forward to seeing many of you at tomorrow's swimming carnival.

Congratulations to the following Merit award recipients:

- Myah - A great start to Kindergarten
- Thea - A great start to Kindergarten
- Ashton - Trying hard during spelling
- Patrick - Being responsible for his learning and staying focused
- Oliver - A fantastic start to Year 3
- Violet - A fantastic start to Year 3
- Indi - Participating and sharing ideas during discussions

GOLD STAR AWARD

Congratulations

Jensen & AJ for having 100% attendance!

Canteen

Once again, we have been reminded of how lucky we are to have the support of our P&C. Today the P&C treated everyone to a free lunch.

Thanks to Karissa for donating her time to bake some yummy treats and cook a load of chicken burgers. We all benefit from the P&C members volunteering their time and supporting us financially.

Mrs Price

3-6 Class

We have had a great start to the year. Year 3 have settled in well and we have begun our new routines.

Everyone has enthusiastically taken on their new jobs and are ensuring that the chickens are well fed, eggs collected, fish fed and recycling organised. We have started our first novel for the year, *The Little Wave* by Pip Harry, and we are all enjoying it so far. Our next job is to get the garden under control and some more flowers and vegetables planted.

In maths we are doing some work on place value and learning to read numbers up to 1 billion. Fat Maths continues to be popular and everyone is moving along at their own pace.

Our first Grej of the year was on camels and everyone will soon start and research for their own Grej presentation. We are about to start our first project for the year. It's a secret, 3-6 don't know what the topic is yet. Watch this space.

Mrs Price

From the Office

Uniforms

A selection of second hand and new uniforms are available if our uniform shop. Please ensure all clothing items especially hats had your child's name labeled on them.

Please remind your child to pack their hat each day.

Sentral

Sentral is now being used for all online communication, please ensure you remained logged in to the portal to receive all important notices and permission notes requiring a response.

MOORAMBILLA VOICES

The Tamworth Con is excited to host **Moorambilla Voices** as part of a special workshop series in the Tamworth region.

Founder and Artistic Director, **Michelle Leonard OAM**, will deliver these inspiring workshops in early in 2025. Designed for school-aged students and offered free of charge, the workshops align with the Year 3-12 music syllabus. They are practical, joyful, and focus on building music literacy, singing, and body percussion skills.

Students who show exceptional promise during the workshops will be invited to join **Moorambilla Voices'** annual residency camps. Each year, 300 talented students travel to Baradine to sing, dance, compose, drum, draw, and connect with culture alongside like-minded peers.

In 2025, **Moorambilla Voices** proudly celebrates 20 extraordinary years. Over this time, the program has engaged more than 50,000 remarkable children and youth across western NSW.

For more, visit www.moorambilla.com.

OOSH

Another fun activity at the local library, we all made snowglobes to take home.

Stickle puffing is always a fun thing to do and the children come up with some wonderful ideas to make with them.

Maisy and Thea having a friendly game of cornhole. This is a great game that helps with hand eye coordination.

A fun morning at the local library making library bags to take home.

We had a lovely day outside using our imaginations to create master pieces from clay.

Lego is always a favourite amongst the children and encourages them to share ideas as well as lego pieces.

We made some caterpillars and using straws we raced them against each other.

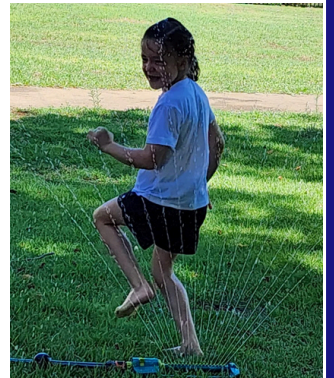

STEM activity of making helicopters with card and paperclips was a success and the children loved seeing their choppers fall and spin.

The girls enjoying each others company and proud of their collaboration on yet another masterful creation using our magnetic building pieces.

Cooling each down and having lots of laughs while doing so.

Luna and her beautiful butterfly painting.
