# PRINCIPAL REPORT

## Attendance

Attendance matters. Each day your child is at school they have important opportunities to learn, build friendships and develop life skills. As seen in this week's newsletter, we celebrated Oliver and Thea achieving 100% attendance over the two preceding weeks with Gold Star Attendance awards. This is a fun way to celebrate the strong attendance of our students and serves as a reminder of the importance of regular attendance. While we still encourage families to keep their children home if they are unwell, additional days away from school do add up.

## House Captains

This week we reinstated the awarding of badges to our sports house captains. At Monday's assembly, Isabelle, Kirin, Eloise and AJ were presented with shiny new House Captain badges. We look forward to continuing this tradition of acknowledging and celebrating the contributions of our sports house captains for many years to come.

## Dog Race Picture

Each year the students at Nundle Public School are tasked with creating a picture of a dog to be used as the logo for the Great Nundle Dog Race. This year our students created an amazing array of pictures showcasing their four-legged, furry friends. The picture which was voted as the winner at our Week 2 P&C meeting was drawn by Year 1 student Maisy. Maisy's beautiful dog will not only be used on all of this year's Great Nundle Dog Race merchandise, but it will also be proudly displayed at the front of the school for the next twelve months.

## Zone Swimming

Congratulations to Cordie who represented Nundle Public School at last Friday's Zone Swimming Carnival.

## Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just... they miss weeks per year and years over their school life

1 day per fortnight = 4 weeks = Over 1 year missed

1 day per week = 8 weeks = Over 2.5 years missed

## Congratulations to the following Merit award recipients:

**Beau** – An excellent fortnight at school

**Maisy** – Being an excellent role model

**Jensen** – Excellent focus and participation during phonics lessons

**Harry** – A fantastic start to Year 3

**Violet** – Working hard in all areas

**Lia** – Working hard in mathematics

**AJ** – Completing tasks in a responsible and timely manner

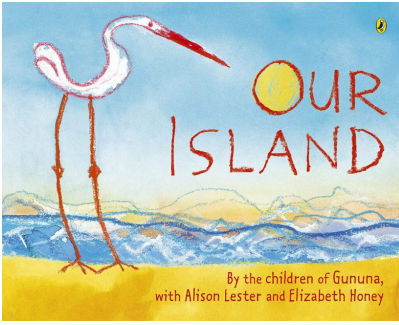

**Cordie** – Working towards goals and helping others

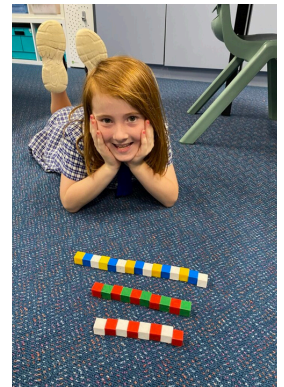

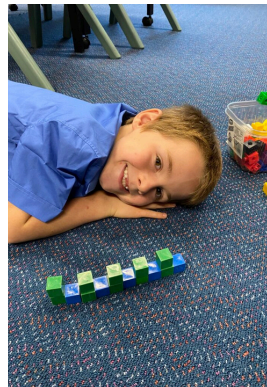

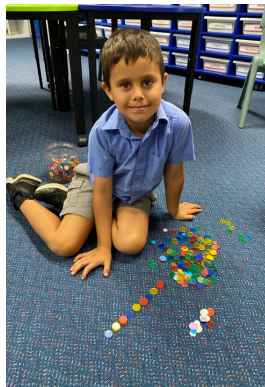

## 100% Attendance GOLD STAR AWARD Congratulations Oliver & Thea

# Mr McDonald - Year 2 Classroom Highlights

Year 2 have been working very hard since the beginning of the term. They have been creating patterns in maths, identifying and using nouns and verbs in their writing, improving their reading and phonics by playing games and reading with each other and their teachers. As part of our English unit this term we have been focusing on the text *Our Island*. This lovely book shares highlights of the places and creatures of Mornington Island. This week we went on a town walk to find some of the special places in Nundle. We visited the pool, the park, the post office and many more. We will use photos of the special places we visited to write our own story.

## From the Office

### Uniforms

A selection of second hand and new uniforms are available from our uniform shop. Please ensure all clothing items especially hats have your child's name labelled on them.

Please remind your child to pack their hat each day. New hats are available for \$7.

### Lost Property

There is a collection of uniform clothing items in the school lost property bin. If your child has misplaced something please come have a look.

### Sentral

Sentral is now being used for all online communication, please ensure you remain logged in to the portal to receive all important notices and permission notes requiring a response.

### Changes in routine

Please be reminded of the importance of informing the school and OOSH if there are changes to after school arrangements.

# OOSH

We did salt paintings which was an activity they thoroughly enjoyed while relaxing in the cool sharing ideas. It was great to see the older children helping the younger ones

Thea learning what colours do when mixed together.

AJ loved seeing the colours join up along the salt crystals and change colour.

Some of the salt paintings waiting to dry so we can colour them with food colouring.

Izzy very proud of her salt art.
