# PRINCIPAL REPORT

## NAPLAN

This week our Year 3 and Year 5 students participated in the National Assessment Program – Literacy and Numeracy also known as NAPLAN. Four different assessments were held over the last three days focused on writing, reading, grammar, punctuation, spelling and numeracy. All our Year 3 and Year 5 students tried their best and comfortably navigated the online environment where the assessments were conducted. Congratulations Year 3 and Year 5 students!

## Soccer – Kooty Kougars

Today we had a visit from the Kooty Kougars (Kootingal and District Football Club). Kaitlyn introduced our students to a variety of fun and interesting skills-based games and provided everyone with a soccer gift pack. If your child is interested in playing soccer, please make contact with the Kooty Kougars.

## Golf

This week we have had putt-putt golf set up in the playground. Students from Kindergarten to Year 6 got involved and challenged themselves with this fun and at times frustrating game.

## Dog Race

The big day is fast approaching, and the Nundle Public School P&C Association is looking for volunteers. There is a job for everyone and all you need to join the team is some spare time and a dash of community pride. To nominate as a volunteer and for further information please contact the school office. This is a fantastic opportunity to support the P&C who so generously support our students.

## From the Office

### Uniforms

A selection of second hand and new uniforms are available from our uniform shop. Please ensure all clothing items have your child's name labelled on them. Please remind your child to pack their hat each day. New hats are available for \$7.

### Sentral

Sentral is now being used for all online communication, please ensure you remain logged in to the portal to receive all important notices and permission notes requiring a response.

### Changes in routine

Please be reminded of the importance of informing the school and OOSH if there are changes to after school arrangements.

# Mrs Price - 3/4/5/6 Classroom Highlights

Wow! It's week 7 already. 3/4/5/6 have been extremely busy. We are working on addition and subtraction in mathematics and everyone is learning new strategies so they can solve problems using a range of suitable strategies. In English we continue to read *The Little Wave*, following the lives of Lottie, Noah and Jack. Lottie loves insects, so we have been busily researching insects and writing information reports. On International Fairy Tale Day, we read fairy tales and discussed the features of the tales as a class. On the 18th February we stayed after school and did some gardening and had pizza for dinner, hoping to watch a webinar on how light pollution affects bird life. We enjoyed watching *Toy Story*, as the host experienced technical difficulties, and caught up on the webinar later that week. Our plan is to make an insect podcast in the coming weeks. Our class sleepover was a huge success. Lots of swimming, teamwork erecting and pulling down tents, food (Tacos), a movie, early morning walk and play in the park as well as bacon and egg rolls for breakfast. We all managed to get some sleep as well!

## OOSH

We made Fairy Houses using paddle pop sticks and scraps of material and the children enjoyed sharing ideas with each other.

We had wooden spinning tops to decorate and play with.

The children loved seeing how their designs looked once their tops were spinning.

Thea with her Jumping Snake

Izzy ran the activity of Origami and showed great leadership skill and confidence as she explained how to make jumping snakes and cat rings.
