PRINCIPAL REPORT

Podcasting

This term, we borrowed a podcasting kit from the Department of Education. Over the past few weeks, Jack Price has generously volunteered his time to assist Mrs. Price's class in producing informative podcasts. Using the professional-grade equipment, the students collaborated like true podcasters, resulting in a polished final product. A big thank you to Jack for his invaluable support in bringing this project to life!

Easter Hat Parade

Today, after much anticipation, we celebrated our annual Easter Hat Parade. It was wonderful to see the incredible creativity showcased in the headwear. The audience also enjoyed a musical performance from our Year 3-6 students, who played "Hot Cross Buns" on the recorder. We loved having our families join us and sharing this festive event with our preschool and playgroup friends.

Cross Country Practice

Although our Cross Country Carnival is still three weeks away, we have been focusing on long-distance running this week. The students have been completing laps around the school oval and have even ventured outside to run laps around the Recreation Ground. We are looking forward to an exciting Cross Country Carnival at the end of Week 1 next term, which promises to showcase some of our fastest runners yet!

Free Lunch

In Nundle, we truly believe in the idea of a free lunch! This week, our fantastic P&C volunteers whipped up delicious lunches for everyone to enjoy. This wonderful gesture not only celebrates the conclusion of a successful term but also highlights the unwavering support our P&C provides to the school. A big thank you to Tash and Laura for volunteering their time to prepare such tasty lunches!

Dress-Ups and Costumes for OOSH

The P&C is seeking donations of dress-up clothes and costumes for OOSH. If you have any clean and suitable items you'd like to contribute, please drop them off at the school office.

Over and Above Award

This week, we had the pleasure of presenting Max with an Over and Above award in recognition of his exceptional behaviour.

Max has been going above and beyond to ensure that some of our students who experience early morning nerves feel welcomed at the start of the day, helping them to be ready for school.

Congratulations to the following Merit award recipients:

Myah - Enthusiasm in class

Noah - Working hard in English

Luna - Actively participating in all maths lessons

Harry - Participating in classroom activities

Lia - Finding solutions to problems independently

AJ - Outstanding participation in maths discussions

Indi - Consistently improving and helping others

100%

Congratulations to our 100% Attendance Gold Star Award recipients

Myah, Kirin, Cordie and Isabelle.

Year 2 Classroom Highlights

Mr McDonald

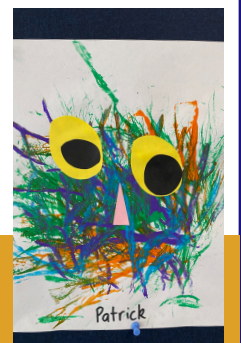

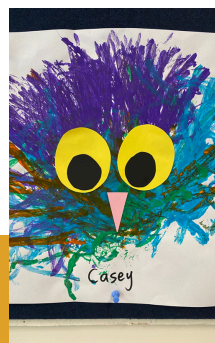

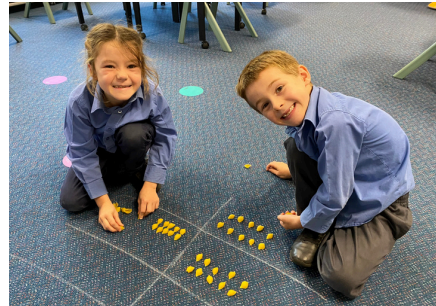

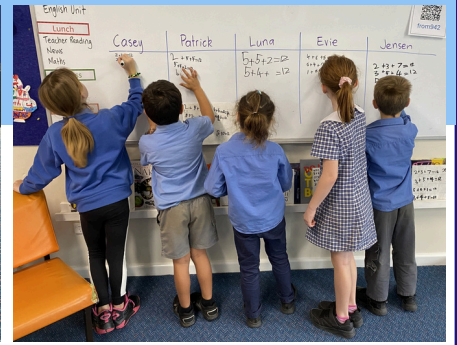

Term 1 has been full of fun and learning for our Year 2 students! Each day during teacher reading, we've been diving into some exciting "big kid" books. Right now, we're enjoying the adventures in James and the Giant Peach by Roald Dahl.

In writing, we've been exploring prepositions and how they add detail and meaning to our sentences. One great example the class came up with is: "The dog chased the ball under the fence." It's been exciting to see how our writing is growing!

During our reading sessions, we've been focusing on fluency and expression. This week, we had lots of laughs reading a story about two toads getting married.

In maths, we've been investigating efficient ways to count large collections of objects. We've also explored how big numbers are made up of smaller ones. For example, we discovered that there are many ways to make 12, like $5 + 5 + 2$ or $2 + 3 + 7$.

Every Tuesday, we're joined by our Kindergarten and Year 1 friends for art lessons. This term's theme has been birds, and we've had fun creating colourful owls, moonlit owls, vibrant feathers, and even some very funny ducks!

Mrs Worley's K/1 Class

K/1 had fun during maths this week making patterns with the unifix blocks.

The Great Nundle Dog Race

When: Sunday 4th May.

Time: Gates open at 9:30am.

Bring your pooches for a fun filled family day in Nundle. Many races and various events to enter your dog/s, Steeplechase, Doggy Highjump, not to mention The Great Nundle Dog Race. Lots of prizes to be won, entertainment, delicious food, raffles and more. We hope to see you there!

THANK YOU TO OUR SPONSORS!!
