Week 9	<i>Tuesday 11th Dec – Friday 14th Dec- Intensive Swimming</i>
Week 10	<i>Wednesday 19th December – Last day of Term 4</i>

Principal's Report:

Welcome back. I trust everyone had a restful holiday period and got to have some quality time with your children. I can't believe it's the end of Week 2 already!

Students and staff returned and are right back into doing some quality learning. Term 4 is an incredibly busy time for our students. Working as part of a team continues to be a strong focus for the students. Participation in choir, string ensemble and our school performance are all examples of team work.

Teamwork requires us to focus on what is good for the group, to align our goals and work together to achieve our best. I regularly remind our students that we don't come to school to be better than each other, we come to school to better ourselves by helping each other. If our goals align to what is good for the group and to helping each other, our community will continue to thrive.

Last night I was very impressed by our contribution to the mass choir. The performance was one aspect that was amazing. The part that I was most impressed with was seeing the coming together of a group of children. They really did work as a team

and were led very capably by Mrs Quast and our student leaders. Thanks to all those who volunteered and for those parents who came in and supported their children.

Yankee Jack is fast approaching. Could all costumes be brought to school no later than Wednesday. I can't emphasise how important it is to make sure your children are attending school regularly. Not only is it important to your child's regular education, but it is vital that children are able to participate in regular rehearsals to refine their performance. We have a large gathering of other schools coming to see our first performance and it would be great to see lots of parents bringing friends along.

The term is racing away on us, so please be sure to carefully read notes and messages as they are sent out.

Have a great week

Mr Gadd

REMINDER

We would like to remind parents and caregivers to notify the school if there is any changes to their normal school departure routine. Late arrivals and early departures also need to be notified to the office. Thank you.

Girls Uniforms:

The P&C have added another option to the girls uniform and they now have the option of wearing;

- **Blue and white check dress with white collar and blue ribbon tie.**
- OR
- **Navy shorts or skirt and blue short sleeve shirt.**

Student Profiles

Feature Student #26

Name: Echo Stone

Age: 5

Class: Kindergarten

What is your favourite thing about school?

My favourite thing is maths

Who is someone you look up to and why?

My mum because she helps me with my homework

What do you want to be when you grow up?

An Astronaut

A fun fact about me: I can ride motorbikes

Feature Student #27

Name: Tiffany Blackwell

Age: 10

Class: 4

What is your favourite thing about school?

Maths because there is a lot of things to learn about

Who is someone you look up to and why?

Chloe because she is a really good friend.

What do you want to be when you grow up?

I want to be a teacher

A fun fact about me: I am good at handball

Feature Student #28

Name: Sam Archer

Age: 11

Class: 6

What is your favourite thing about school?

Seeing my friends and playing footy

Who is someone you look up to and why?

My mum and dad because they do everything with me

What do you want to be when you grow up?

Footy player

A fun fact about me: I love Australia

Class Awards 21st October

Years K/1/2:

Maton Little: For regrouping and renaming to problem solve in maths.

Destiny Smith: Logical thinking to problem solve in maths.

Serenity Smith: Excellent problem solving skills in maths.

Years 3/4:

Kyron Morrow: Problem solving in mathematics.

Riley Emerton: Participation in literacy groups.

Years 5/6:

Jade Krsulja: A maturely written book review.

Jesse Vaughan: Improved participation in sport/PE.

YANKEE JACK

28/29 NOV

Nundle Memorial Hall

Wed 28th Nov

7pm

Thu 29th Nov

12pm & 7pm.

THE MUSICAL

Canteen Reminder

Nundle Public School P & C are using Nundle Fuel and Café as a provider for school canteen lunches.

The orders will need to be submitted to the office by 9am on Fridays, with the student's name and order written on a paper bag or appropriate lunch bag with the money inside.

Raffle Winner

Congratulations to Charles May who won the Year 3/4 raffle.

Mr May won a "CH on Peel" Executive King Date Night Package for 2 adults.

Thank you to all supporters. Monies raised will reduce excursion costs for the class excursion to Sydney in week 4.

**Good for Kids good for life****CHOOSE WATER**
as a drink

Water is the best drink as it does not have any added sugar. Fruit juices, soft drink, sports drinks or cordials should not be given to your child everyday as they contain a lot of added sugar. Tap water is the best choice. In most areas, tap water contains fluoride, which helps children to develop strong teeth.

Tamworth Schools Choral Festival

Last night the school choir participated in Tamworth schools choral festival. It has been over 20 years since students have had an opportunity to participate in a choral concert of this format. Our students is to be commended for their hard work and brilliant performance.

**NUNDLE AMATEUR SWIM CLUB
WELCOME TO 2018/2019 SEASON
21.10.18**

We look forward to welcoming new and existing Club families this year.

The key mission for our Club is to give children in our community and surrounds easy access to Training and Learn to Swim facilities in a fun and safe environment.

Below are some helpful hints and information about the Club and the season ahead. At all times we ask parents to get involved and give feedback. This is your Club for your kids. We run this Club as a non-for profit Club. The Club is financially supported by past community association DONATIONS that have been generous and allow us to pass on minimal fees for your children to have a local Club and to cover coaching fees and the cost of running the Club.

SQUAD TIMES:

To start the season, there will be Squad training Tuesdays, Wednesdays and Thursdays from 4-6pm. Timings and Squad groups will be published post sign up day. Please check the NEW schedule times and the Group your child has been allocated too. **The first Squad training sessions commence Tuesday 30th October.**

LEARN TO SWIM:

We are taking names and expression of interest from the Community for Learn to Swim lessons. The Learn to Swim programme will commence later in the season once the pool warms up. Fees and schedule times will be published at a later date.

FLIPPERS & GOGGLES:

Squad swimmers will need flippers and goggles for squad training, plus a full water bottle. There is a small supply of Nundle Pool flippers to borrow in the short term. Ideally all children should have their own for the season.

SWIMMERS:

We have Nundle Swim Club swimwear available to purchase. These are not compulsory. Please ask a committee member if you are interested in purchasing.

CARNIVAL AND SWIM MEETS:

Being part of our Swim Club, your child will be registered with Swim NSW. This allows children to compete at other Swimming Club meets and carnivals.

We have a tentative date held for a possible carnival for Nundle Swim Club, 17th February 2019. We would like to discuss this with all parents if this is to go ahead for our Club and welcome other Clubs and kids to our carnival. It is a great fundraiser for the Club. Eve Campese is the appointed Carnival Co-ordinator and we will be looking for parents to assist her in the planning and running of the Carnival.

POOL ENTRY & RULES:

Tamworth Regional Council operate the Nundle Pool. This is not linked to the Swim Club in any way. Please familiarize yourself with the pool rules, entry fees and get to know Sharon our Pool Manager.

SUPERVISION:

As per the Pool Rules, all children under 10 must have Adult supervision whilst at Nundle Pool. This also includes LTS lessons and Squad training. Please ensure you always have a nominated Adult at the pool if your children are under 10 during Swim Club or otherwise.

TIME TRIALS/FRIDAY AFTERNOONS:

Traditionally run every Friday as a way for children to measure their own success and Personal Best timings. They start to learn the rules of competing as well. We are proposing Time Trials each Friday @ 4pm, we need parent volunteers to help with Time Keeping each week.

REGISTRATION and PAYMENT:

Your children must be registered and paid in full before they can commence Squad or LTS lessons. We are bringing everyone over to the online SWIM NSW system (where all kids must be registered). There will be no money taken at Sign Up day and you will be provided with email links and information on how to register and pay for your child.

COMMUNICATION:

We endeavor to keep everyone in the loop of activities and plans. The primary means of communication will be via your nominated email address. Please check your emails regularly.

NUNDLE COUNTRY PICNIC 2019:

In 2018, we entered into an informal partnership with the organisers of Nundle Country Picnic, whereby our Club provided parent volunteer help to run the picnic, in exchange, a considerable amount of the proceeds was donated to our Club. For our efforts this year, we received \$3000 from Nundle Lions Club as a result. This is a great financial boost to our Club and enables us to start the 2019 season in a healthy position to cover running costs and Coaching Fees. The Club has been asked to consider this again for 2019, it will be held again in March 2019.

COACHING:

Welcome to our new Coach for Nundle Swim Club, Mrs Rachel Schofield. Rachel was offered a \$500 Scholarship from the Club to complete her AUSTSWIM Course recently. We are proud to launch this programme as part of our ongoing sustainability of the Club and to keep our Coaching position in our Local Community. Rachel will have the support and mentoring of Jackie Bromfield this season.
