Week 9	Tuesday 11th Dec – Thursday 13th Dec- Intensive Swimming Wednesday 12th Dec — Music Concert Thursday 13th Dec — Presentation Night Friday 14th — Mud Run at Lake Keepit
Week 10	Tuesday 18th Dec—Year 6 Farewell Dinner at 6pm Wednesday 19th December – Last day of Term 4

to contribute to the supper. These can be left in the school canteen before the performance.

At the end of this week, students in Years 5 & 6 will be packing up the Stemsare resources and sending them off to their next school. This was a pilot for the classes in what I think has been a really positive experience for the students. Notably skills that continued to develop were:

Persistence to solving problems

Strategising

Paying attention to detail

And working collaboratively

There are other kits available as part of this project and we will look to continue to be involved in this type of project.

Students in Year 6 will sit the CWA/RSL Bursary exam on Monday morning at Woolomin Public School. Good luck to those students involved.

Principal's Report:

The term continues to race by with students getting incredibly excited for next week's performance of Yankee Jack. Students have been participating very enthusiastically in the rehearsals and thanks to the support of a few parents and staff, costumes have come along very nicely. I have been most impressed by the students willingness to take on new ideas, go with the flow in last minute changes and adjust according to feedback. This will be sure to stand them in good stead for future challenges. Participating in these activities while also doing end of year assessment tasks but so far they have been up to the challenge. They will need to ensure they go into next week well rested.

If parents and carers come to the matinee performance on the Thursday, students may go home early, however they will need to be returned to school by 6:00pm to prepare for the night time shows. We will be celebrating the end of the last performance with a supper under the COLA for students and parents. Can you please bring a plate

K-2 students will be heading in to town to see the 91 Story Treehouse on Monday December 3. Notes will need to be returned to school next week to allow for organisation of this activity. Mrs Worley has also organised a visit to Woolworths, where students will learn about healthy eating and where our produce comes from.

Thanks for your continued support.

Stephen Gadd

We are looking at completing a chessboard pavement project in the school grounds and are looking for keen willing helpers to be part of the project. Please let us know if you can help, contact NPS office or Kelly 0431241332.

What is your favourite thing about school?
 Playing with Jamie and Lincoln.
Who is someone you look up to and why?
 Lincoln because he is a good friend.
What do you want to be when you grow up?
 Astronaut
A fun fact about me: I love remote control cars and backflips.

Feature Student #37

Name: Chloe
Age: 10
Class: 4
What is your favourite thing about school?
 Writing
Who is someone you look up to and why?
 Chad Summers because he is a pilot.
What do you want to be when you grow up?
 A pilot or an artist.
A fun fact about me: I came from Tasmania.

Student Profiles

Feature Student #38

Name: Kyron Morrow
Age: 10
Class: Year 4
What is your favourite thing about school?
 My mates
Who is someone you look up to and why?
 Pop because he is a builder.
What do you want to be when you grow up?
 A war soldier.
A fun fact about me: I'm funny.

Feature Student #39

Name: Brayden O'Connor
Age: 12
Class: Year 6
What is your favourite thing about school?
 My friends
Who is someone you look up to and why?
 Teachers who helps me to get my education.
What do you want to be when you grow up?
 A mechanic
A fun fact about me: I'm funny.

Feature Student #40

Name: Mary Briggs
Age: 10
Class: Year 5
What is your favourite thing about school?
 Sport
Who is someone you look up to and why?
 Mum because she cooks for me.
What do you want to be when you grow up?
 Someone who works at KFC.
A fun fact about me: I can ride motorbikes.

Lego Robot Building!

In the past few weeks, Year 5-6 students have been building EV3 robots which involves building, programming and commanding your own LEGO robot.

MUSIC
News

We are seeking expressions of interest in the continuation of the music program in conjunction with the Tamworth Regional Conservatorium of Music for 2019. Several students currently participating in music will be leaving at the end of the year, so without sufficient numbers the program may not be able to continue. If your child would like to participate in music lessons in 2019 please contact the office November 28th 2018.

'GRAM AND WIN!

#TamworthNSW, #BarrabaNSW, #ManillaNSW and #NundleNSW

Show us the **Tamworth region** through **YOUR** eyes, and be in with a chance to **win one of five prize packs** PLUS your chance to be published in the 2019 Tamworth Region Visitor Guide!

- 1 **SNAP** a photo in the Tamworth region around one of these themes: Flavour, Art & Culture, the Great Outdoors, Family Fun or History & Heritage
